

1 PART TIME SALARIED GP

We are looking for an enthusiastic, reliable and motivated GP to join our friendly, organised and forward thinking practice.

Due to premises constraints we can only offer 4 sessions a week, but this is with a view to a full-time post in the near future. We are currently in negotiations for a new purpose built surgery.

- 2FTE GPs.
- List size 3,800 (with a view to increase).
- Maximum QOF achiever 2 years running.
- Good links with hospital and community services.
- Very supportive administrative and nursing staff.

We are looking for a candidate who can work closely with our current GPs to take the surgery forward. We are quite flexible and the salary can be negotiable for the right candidate.
